WE BELIEVE

- 1 LIFE** That human life in its entirety is religious, since God created men and women to serve Him everywhere. This requires us to educate our children for His service.
- 2 BIBLE** The Bible as the written Word of God is the Truth by which the Holy Spirit enlightens our understanding of God, ourselves and the world, and is the infallible authority by which He directs and governs all our activities, including the education of our children.
- 3 CREATION** We can understand the world rightly only in its relationship to God, because the world, in its origin, gracious preservation and ultimate restoration, is the work of the Triune God, and that the glorification of His Name is its purpose.
- 4 HUMANITY** We were created in the image of God to enjoy covenantal fellowship with our Creator and to reflect in our person and our works the excellencies of our Maker, and were instructed to exercise dominion over the world in strict and loving obedience to God and to interpret all reality in accordance with His design and law.
- 5 SIN** Sin is disobedience to God's law and that humankind, by sinning, forsook its office and task, became estranged from God and neighbour, and brought God's curse upon creation. As a result, we have become corrupt in heart and blind to the true meaning of life and repress and misuse the knowledge of God which confronts us in creation and in Scripture.
- 6 JESUS CHRIST** Through our Saviour Jesus Christ, there is renewal of our educational enterprise, because He is the Redeemer of, and the Light and the Way for, our human life in all its range and variety. Only through Him and the work of His Spirit are we guided in the truth and recommitted to our original calling.
- 7 PARENTS** God has given parents the responsibility to nurture and educate their children. Therefore, parents and fellow Christians should establish and maintain Christian schools.
- 8 THE TEACHER** Christian teachers, both in obedience to God and in cooperation with parents, have a unique pedagogical responsibility while educating the child in the school.
- 9 THE STUDENT** The student as child is entrusted to parents by God, needs direction, correcting and instruction. Children of the Christian home share in the promises and demands of the Gospel. Hence, they ought to receive Christian education.
- 10 PURPOSE OF EDUCATION** The purpose of Christian education is to direct and guide the child to commit his or her heart to Christ the Truth, to attain understanding, wisdom and righteousness, and to perform his or her competent and responsible service of the Lord in every aspect of life.
- 11 THE CHRISTIAN SCHOOL** The Christian school established and controlled by a society of Christian believers, in accordance with legitimate standards and provisions, possesses the freedom to function in total and voluntary submission to Christ, the King.
- 12 THE KINGDOM OF GOD** The Kingdom of God is His present and future, righteous and universal reign through Jesus Christ. The reign of grace and power makes education possible and meaningful. In obedience to Christ, we submit in every area of life to His commandment to love the Lord with all our heart and mind.

Foundational statements are as outlined in Bylaw Number 3 of the Bylaws of the London District Christian School Society (2010).

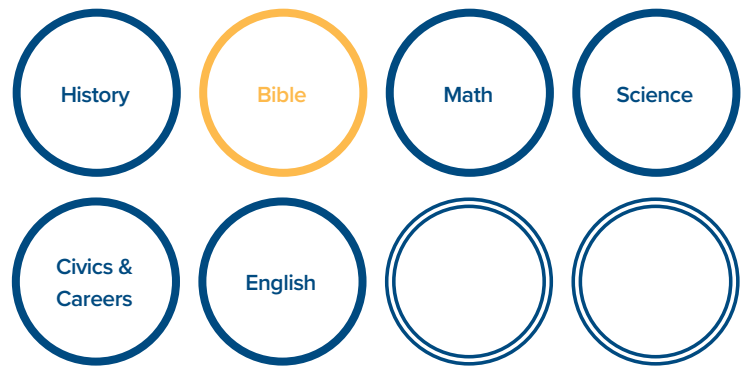

GRADE 9 PROGRAM

The focus in our grade 9 program is **relationships**. The Bible points us repeatedly to the importance of living within a community of healthy relationships focused on unity in Christ. As Christians, we live in relationship with God, with others, with ourselves and with creation. Sin has caused conflict and brokenness in all of our relationships and as Christians, we seek to reclaim healthy relationships and seek restoration in relationships to reflect God's love.

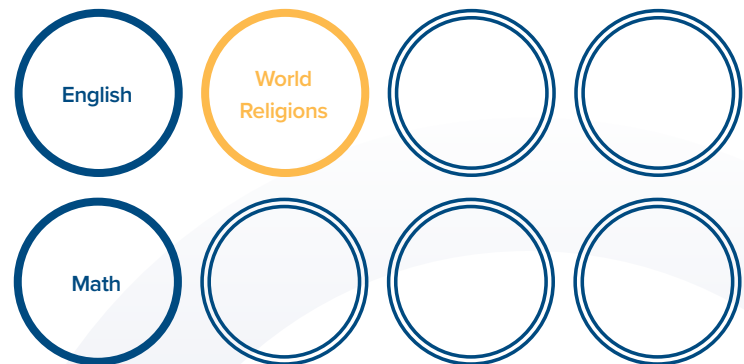

GRADE 10 PROGRAM

The focus in our grade 10 program is **citizenship**. While we are all members of the country we belong to and live in, we are first and foremost citizens of God's Kingdom. Our grade 10 program seeks to help our students think critically about what it means to be a Christian living in a secular culture. As Christians, we are called to be faithfully present in our works, which means coming to an understanding of who we are, Whose we are, and where we come from as we interact with God's creation. God's desire is that we pursue shalom - peace and justice, both for ourselves and for humanity and creation.

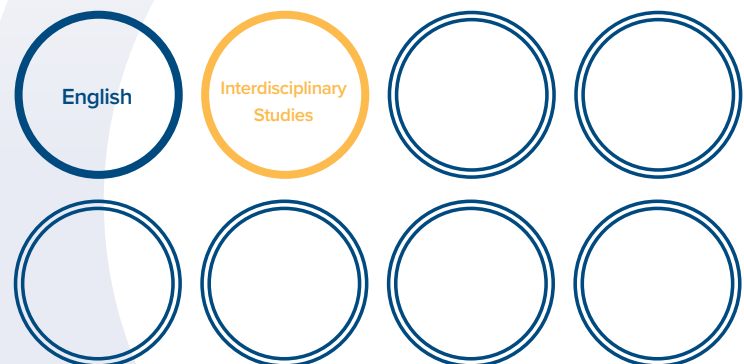

GRADE 11 PROGRAM

The focus of our grade 11 program is **justice**. God loves the world and everything in it. He desires everything to have its place and proper treatment. God is fair. But many things and many people are treated unfairly. Our grade 11 program seeks to provide opportunities for students to learn more about injustice in our society and begins to help students think critically about what we as Christians should do when we become aware of people or creation experiencing oppression.

GRADE 12 PROGRAM

The focus of our grade 12 program is **beauty**. Beautiful things are all around us, giving proof to the existence of a creative God. Our world is full of imagination, awe and wonder of God; but it is not perfect. We can experience beauty in patterns and form, in ideas, in objects, in beings, in interactions, and in creation. Our world is deeply broken because of sin and this brokenness has distorted beauty. Christians are called to reclaim and create beauty as we seek restoration and healing of brokenness.
